*Ideas that create brighter futures*

## **Logos West Midlands Community Interest Company (CIC)**

Dear parents and guardians,

Hope you're all well currently.

Thank you for entrusting us with tutoring your children over the past ten (10) months. We set up Logos Development Limited (Ltd) with the hope of helping children create brighter futures through providing supplementary on-line education. In the coming weeks, we will again, be encouraging you to book your 1:1 feedback session to discuss your child's progress via google meets. A written summary will be provided thereafter with the key learning points.

Since, November 2020 our teachers have been teaching on a voluntary basis, which has really enabled us to build and gain momentum. However, we are at a stage where we need to extend the numbers of teaching staff, which will be at cost.

**Therefore, as of the 11<sup>th</sup> of September 2021 term, the following charges will be applied:**

- All 1-1 sessions will cost £15.00 for 75 minutes
- Group sessions £10.00 for 75 minutes

will last for 1 hour and 15 minutes as opposed to 1 and a half hours.

We will also be changing how payments are made, each parent will be sent an invoice at the end of each month which should be paid within a week.

Finally, we are delighted to inform you that Logos West Midland Community Interest Company (CIC) has now become a registered charity and we are aiming to pursue funding to expand our services and improve the service you all receive.

Please contact us if you have any queries.

Kind regards,

Gilbert R Pomell,

Chairman of the board
